

Hope Interfaith Center

January - March 2012

~ A message from Reverend Janice Hope Gorman ~

“New Message for 2012”

Dear Friends,

With greetings from the Hope Interfaith Center we send all of you much love. I am sure that you have been observing the steady progress of Light as the occupy movement spreads in the United States and now onto other countries. The Spirit of Transition is upon us. All of the global events and major developments are due to the higher frequencies along the Earth's Ascension Pathway.

Much more will follow as we move into 2012. The momentum is going to increase because there are “time pockets” in the celestial calendar that are especially advantageous for energy surges to continue throughout 2012. These surges will provide us with a forward thrust in our journey towards ONENESS.

These thrusts of energy pockets will affect people differently. Those who are unbalanced, by being immersed in the low vibration of negativity, will experience upsetting physical and emotional jolting. Light-workers, including the millions who don't identify themselves as such, will feel a sense of upliftment as they flow in the accelerated pace of the Universe.

Truths and reforms will continue to be catapulted into our midst, as there shall be no more delays in the highest universal council's master plan to free this planet of a millennium of dominance by darkness. You will continue to see European countries struggle towards balance. You will see our own country continue to struggle towards balance. You will see a collapse of the global economy, which needs to take place in order for there to be a return to balance. Citizens will continue to come out into the streets to demand betterment in their lives.

As the light continually intensifies on this planet transformation will take place. Please do not go into fear, because fear only will add to the disruption. With the knowledge that the Golden Age is on the horizon and already exists in the continuum, you can feel serene and excited all at the same time. And these high vibrations of your feelings will radiate out into the world!

Earth's perpetual balancing motion during this next year needs you to stay calm, serene and joyful. Being in such a state will enable your light to reach those who need this vibration to overcome their own fears. Light workers, I am asking for you to be steadfast! The light from all of us who are awakening, added to our universal family's support, is weakening the last remnants of power from the old operating system. In this coming year we will be fully acting on our Light-filled mission and our truths shall be revealed and our reform efforts will take place.

Continue to join me at the Hope Interfaith Center! As cooperating evolved souls we do make a difference — when we gather in groups for Spiritual Service, or a class, or an event we are also gathering with evolved souls from other civilizations, and we are making a difference.

Let us continue to come together to bring stability and harmonious relations among all nations and among all worlds! We are ALL ONE!

With Pure Heart,
Hope

~ NEW Moon Groups ~

**A PERSONAL INVITATION TO GATHER
AT THE TIME WHEN THE MOON
HAS THE POWER TO MANIFEST!**

*Change is upon us!
Take a look at our new moon groups!*

The new moon is the birthing cycle of the moon's various phases. The new moon phase is an OPTIMAL time for planning and seeding your intentions that you want to grow. The power of new frequencies is upon us and so the change to monthly New Moon gatherings is very important. Seedlings need a period of gestation before they break through the soil and reach for the sunlight this is the reason why we meet in the evenings. The dark side of the moon, with its mysterious unseen forces offers a nurturing environment where our intentions can establish roots before their miraculous manifestations begins to sprout and reach out to the stars.

Exciting speakers will come to HIC during the New Moons to plant new ideas and give you new information, which will help us on our journey into 2012. They will share their varied journeys, their adventures from different parts of our planet, their passions and talents. Come and give them a wonderful welcome as you receive seeds of information. Please join us during these new moons as we create a NEW WORLD.

Please RSVP at least one week before the gatherings, which will be held at HIC unless otherwise noted. (Please note: due to the July 4th holiday weekend, there will be no New Moon Gathering in July.)

We will be watching the show and discussing what happened the day of the accident. Life after death is an exciting topic to talk and hear about, and many of us have had similar experiences of the afterlife whether it be visions, lights, voices or Near Death Experiences. I encourage all to come who have had occurrences with the other side so we can talk openly about our experiences. Come, listen and watch and share a night of surviving "death" and beyond!

Rite of the Vernal Equinox

The Ancient Mysteries call forth a return to Nature's rhythms on an intuitive level. Spirit and Nature in Harmony! The earth seasons are designed to promote specific evolutionary needs. The autumn is the seed planting time; winter is the gestation of the seed and the taking root. The spring is the bursting forth of those new seeds to release new aspiring life to be harvested in the summer. The Spring Equinox opens the veil between the physical and the spiritual so that a resurrection in our lives can be inaugurated. The keynote of this season is creation. It is the drive to move our lives upward, like a seed pushing forth out of the earth into the air. The Spring is the time when the creative powers we have been nurturing through the winter can be expressed to initiate a new world of opportunities for ourselves and the world. Come join us in a service that will bring to you significance in the meaning of Spring!

- ~ May these vows and this marriage be blessed!
- ~ May it be sweet milk, this marriage, like wine and halvah.
- ~ May this marriage offer fruit and shade like the date palm.
- ~ May this marriage be full of laughter, our every day a day in paradise.

~ May this marriage be a sign of compassion, a seal of happiness here and hereafter.

~ May this marriage have a fair face and a good name,

~ An omen as welcome as the moon in a clear blue sky.

~ I am out of words to describe how spirit mingles in this marriage.

Please join us at our relationship groups. Our group looks forward to moving into this new year by reading and discussing books like “True Love” by Christopher Emmanuel and then moving into a book study with the book “Happy Marriage and Strong Families - a Spiritual Journey” by Kelley Brigman, PhD.

Thomas Edison said that great ideas originate in the muscles. What better incentive to move the body in new ways every day? Not only are we giving our body the physical treatment it craves, we are sourcing our inner creative genius at the same time! Exercise is meditation for the body! Dance is a timeless, universal form of self-expression.

Please join us in the experience of a dance gathering that allows you to decide what dance means for you—be it a physical workout, a mental or emotional release, a spiritual experience of connecting to the music and the energy of the group, an art form...or any combination of these. Whatever your interpretation, come to enjoy different genres of music and to honor your unique self through free-form dance in an environment intended to cultivate creativity, freedom of expression, being true to yourself, cleansing, healing, lightness, and raising your vibration. No steps to learn...just a safe and sacred space, integrating fun, and freedom to express your love of dance...as the spirit moves you!

Comfortable clothing and a water bottle recommended. All ages welcome. Beyond that...come as you are, and allow yourself to be transformed by the collective energy! A \$5.00 Love donation is requested.

Thank You from the Mankato Area Fair Trade Town Initiative Update

On October 24, by unanimous decision of the City Council, Mankato became the first "Fair Trade Town" in Minnesota. This is a goal towards which the Mankato Area Fair Trade Town Initiative (MAFTTI) has been working since June 2009.

MAFTTI grew out the concern of people in a number of Mankato churches to promote the economic justice agenda of which Fair Trade is a potent and practical symbol. Great thanks are therefore due to these churches, including yours. Without them, Mankato would not be a Fair Trade Town. Please look out for news of MAFTTI's continuing work in 2012, keep buying Fair Trade products - and think about joining in the action.

~ Paul Renshaw, MAFTTI Chair

“Connections and Cosmic Love” - Christina Rose

Why are we here on this planet? Based on my experience, it is the Transcendence of Duality by remembering who we are. The incredible energy that links us all is our history of being united in the concept of ONENESS with our Creator prior to incarnation. A label often used to describe this feeling is “Cosmic Love.”

How is cosmic love different from the love in our daily life? Living in duality creates a reality of “conditional love” which means we get enough of the love energy to attract us into the density of the third dimension. Here we struggle with questioning our worthiness and doubting our ability to be co-creators like our Source.

Our guides, teachers and holy ones, who assist us with this journey through life, share with us that the concept of begins to change from the inside out.

On the surface, it may appear that things are getting worse rather than better. Look at the economy, the wars and politics. Can you read these words or watch the news without getting into fear, doubt, judgment and anger? If you drop your frequency, you are actively adding to the duality here on Earth. To participate in a positive way with the planetary changes presently occurring, we have to be consistently aware of what we are thinking and doing. It assists humanity when we surround ourselves with like-minded beings that have made the choice to be part of the shift by choosing ONENESS and Cosmic Love.

By awakening to our role of constant choice, the concept of ONENESS here on Earth can become a reality for you NOW. Where is your mind now? Do you believe you can do it? The rewards for the choice will make the next year flow with ease and grace versus the drama and trauma of duality. It IS your choice!

The Hope Interfaith Center is one of those beacons of light in the storm. With their resources, their support teams and the guidance of Master Teacher Hope Gorman, you can claim your power and connection to Source. Mother Hope’s monthly CD subscription is a small investment with crucial information for the choices of 2012!

Namaste!

In the ONENESS with love and gratitude to you all.

~ Christina Rose

Belize Travel Log Information Night

January 26 • 6:30 p.m.

Hope Interfaith Center

facilitated by Hope and Kristin Lamoureux

The feast day of the Virgin of Guadalupe has just passed. On December 12, 2011, the aspects of the Divine Feminine created a beautiful star-shaped portal to allow new energies to come forth. Next year the Virgin of Guadalupe’s feast day will be on 12-12-12. The events destined to take place on that day will be another influx of LIGHT which will be our final preparation for December 21, 2012.

Our journey to Belize, taking place from December 8-15, 2012, was planned with the intention that we would be in that country during this amazing time! Let us all start preparing for these beautiful new energies to take seed within us. Listen to the signs and hear the future as it beckons your attention. Let your heart be the one to vote with purpose and pure consciousness about all of your choices.

We are hosting a travel log evening to learn about Belize. Our presenter is Kristin Lamoureux. This is open to all those who are going to Belize in 2012 with Rev. Hope and to all those who are still thinking about joining this journey. Come and ask questions and perhaps your heart will vote yes to this “once in a lifetime” trip!

We ask that you RSVP for this evening by calling or emailing Jody. Peace and Love and Light from the Divine Mother of Guadalupe.

***Only a few openings for this
exciting journey remain!
Will your heart vote “yes”
to this once in a lifetime trip?***

We, as the human species, are at the threshold of an extraordinary metamorphosis. This upcoming evolutionary leap is here. Our metamorphosis to the New Human to our New Earth is being triggered by a shift and expansion in our individual and collective consciousness.

Through these classes, our composite genetic matrix will be awakening dormant aspects that are now ready to be activated in our human DNA, enabling our souls to function through our bodies.

Attributes of the New Human

- * Enhanced telepathic abilities
- * Ease of manifestation
- * Enriched creative abilities
- * Increased Joy and Ecstasy
- * Oneness pouring out of you at all times
- * Meeting your Galactic Self

We will be joining a “Global and Galactic Alliance” which are groups around the world meeting to create together. When a certain number of a collective group come together in their hearts focusing on unconditional Love it changes the world.

This group is destined to transform your life. March 3, we are having our special guest via skype from Boston, Selina Maitreya. Selina taps into the essential creative passions and impulses present in all artists interested in altering and enhancing the way they see their life’s work. The Topic is “CHOICE” — how to Be that CHOICE Energetically! There is no benefit to you to make choices reluctantly. Any choice is capable of immeasurable rewards when initiated with clarity and a sense of willing participation. This is a wonderful way to start the energy ONENESS CLASSES! Selina is a Oneness Blessor.

What an opportunity to be apart of a Global and Galactic Alliance. We are blessed in this age of the internet to have the ability to connect with my friends and teachers from far away to help us grow and know!

The next newsletter will contain information about our future Skype teachers!

New! “Oneness Blessings Sundays”

Third Sunday of every month • 10:00 a.m.

(refer to calendar for dates)

Hope Interfaith Center

facilitated by Hope

During the year of 2012 our 3rd Sundays are going to be dedicated ONENESS blessing. Everyone who comes will receive a ONENESS blessing by a ONENESS blesser.

What is a ONENESS Blessing or Deeksha? The ONENESS Blessing is a direct transfer of intelligent sacred energy which allows the heart to open, relationships to heal, quiets the chatter of the mind, open doors to higher states of awareness and initiates a process of Awakening into ONENESS where there is no longer a sense of separateness. All that remains is the awareness of reality as it is the joy of being fully present in the moment. Whatever spiritual path you are on will be supported. This gift is for all of us, no matter our spiritual awarenesses.

Together, we are raising the level of consciousness globally. We begin with ourselves and through Deeksha, the ripple effect goes out to all of mankind. There is no dogma associated with this path. At our beautiful temple now we can offer the gifts of this blessing.

Currently we have “ONENESS Blessers” within our community who have attended an intense weekend to become initiated as ONENESS Blessers. I know because I attended the weekend with them! The goal of the ONENESS movement is to help liberate mankind through the gift of the transference of GRACE, bringing us as a whole into a new way of life.

We are A Golden Age for Humanity. After my first ONENESS blessing from Chris Emmanuel, I was hooked...I began to pursue how to get initiated as a ONENESS blesser and found two lovely people to come to our temple or center to do an initiation weekend.

Experience practitioners give Deeksha — the transmission of divine intelligent energy — by placing their hands on a recipient’s head for a minute or so. The effects are cumulative, and can enhance physical healing, generate greater intimacy in relationships, promote material well-being, and, most significantly, may result in a spontaneous and effortless “awakening in to oneness.”

We are here to offer all seekers of inner peace and oneness an opportunity to experience life in a new profound way of connectedness and love, a world with no divisions, from the inside and out, a world of causeless love and endless joy. Come join us on our very Special Spiritual Services on the third Sunday of every month, beginning at 10:00 a.m. when we experience our ONENESS Blessing Sundays.

With Love from the ONENESS ~ Rev. Janice Hope Gorman

2012 Monthly Teaching CDs

*“The soul’s greatest journey is about to begin...”
Are you ready for this most important time?*

Next Integration Class:

Saturday, February 11 • 10:00 a.m. to 12:00 p.m.

Hope Interfaith Center

January 2012 finds us beginning the 3rd and final year of the monthly teaching CDs. Late in 2009, I was told to produce these for three years, starting in 2010 and finishing in 2012. I was guided that they would help individuals find clarity and give them the keys to understand the path to their Higher Self. The last two years of these CDs were also to help you strive to eliminate all the discordant frequencies you created down through your many lifetimes by forgetting who you were. You had to remove yourself from a lower self or a self-centered attitude of “ME” to a “WE” centered reality for the new world to come.

This will not occur until we are well on the path to our ascension. All of this was necessary for the preparatory stage of the higher-level light and over-soul infusion. Now it is important to have your over-soul integration. Encoded within your DNA and every cell throughout your body are the frequencies needed to be awakened by the end of 2012.

Now the soul’s greatest journey is about to begin and through these CDs you can have a full soul/personality merge. At the time of your birth, your Over-Soul took up residency within your Soul-Star, the Eighth Chakra. Now, if you have heeded the “Voice of your Soul,” you have gradually come to understand that it was all about remembering and awakening. Your higher consciousness is now ready to reunite completely with your Divine I AM PRESENCE/YOUR GOD/GODDESS SELF. The qualities, attributes, and virtues of your true higher self are now ready to create your new life and bring you into the new earth. The sweetness of the feast is about to be served. Are you ready for all that is to come?

If you want to continue to receive the monthly teachings or if you are interested in starting them this January, please phone HIC and reserve your copies! The suggested donation is \$10.00 per month. We appreciate the year’s donation in full if possible so that bookkeeping is kept to a minimum, but if you are unable to do that, you may send \$30.00 each quarter, beginning in January.

It does not make a difference if you have not listened to the first two years of teachings because the transformative power of the knowledge and energy deep within you will be ready to receive the last year of information.

May we all be ready to be on our Soul’s greatest journey in 2012! (In 2013 you will be able to download future teachings to your mp3 player!)

The 500 Club

Namaste! I would like to update you on the wonderful movement of the 500 Club!

Many of you received the letter that was emailed last autumn, inviting you to participate in the “500 Club”. I had been given an idea by Spirit – a simple idea – that if 500 people pledged \$5.00 a month for one year HIC would be able to raise \$30,000 which would enable us to keep our doors open and our mission going.

**I am very happy and very grateful
to report to you that we have received
a little over \$10,000 now!**

Friends, we are one-third of the way there!

As you well know, all non-profits are asking for support and money. There are many places where we can give our energy. Yet I want you to know why a simple, single donation of \$60.00 to HIC could make all the difference in the world to this mission:

We are different than most non-profits because we help people when they are dealing with spiritual dilemmas and heartaches. I have always been encouraged to stretch my heart to embrace more of this world. We are called now to stand beside the wounded, and to help and acknowledge the needs of the many. What the world needs more of is love, generosity, mercy, and openness. We are meant to be brothers and sisters, a family of nations.

I have built the Hope Interfaith Center up from the ground floor, with the help of many, many dedicated supporters and co-journers. In the last 7 years we have provided guidance and help for many people – hundreds, if not thousands. It is an honor and privilege to stand shoulder to shoulder as a spiritual family during this exciting time in history!

And so we continue on! Continue on with this adventure of the 500 Club. Continue on, celebrating the universal support of Light as we acknowledge and give humble gratitude for being a third of the way toward reaching our goal!

Thank you! Thank you to all who have joined this club and thank you for all who will! Your heart-filled donations are graciously accepted. \$60.00 here, \$60.00 there...quickly multiplies to \$30,000, which ripples out into our glorious world in ways that we may never know, but ways that will have an everlasting effect.

A RIVER OF THANK YOUs!

***Hearty thanks to all
who helped at HIC last quarter***

We would like to take a moment to thank everyone for your continued support. You are truly loyal to HIC, and it is a pleasure and honor to serve you all!

We are thankful for...

Angela Anderson, Jane Kearny and Kim Stanton Cummings for donating many items for the Phoenix Group.

We also want express our sincere appreciation to all who donated gifts or services for the Silent Auction, and of course for all who purchased items from the Silent Auction.

It was a great success and we could not of done it with out all of you!

We are in gratitude for Kathy Heine, Sara Sinnard, Marcie Douglass, Bob Dickhudt and his girls, Amy and Kelsey Markhum, Judy Mosca, and ody Scholtz for the great job in putting plastic on all our windows here at the Hope Interfaith Center.

We are very thankful for Amy and Jinelle Markhum who so kindly offered to help us during the Mankato Interfaith Coalition event.

As always, we also appreciate all those who help out around HIC without even being asked!! Simple gifts such as putting chairs away, helping in the kitchen after Sunday Service, emptying garbage, etc.-- all of those actions are witnessed and appreciated!
