October - December 2008

A message from Reverend Janice Hope Gorman:

Float like a butterfly

Dear Friends,

We now live in a period of transformation, when a new world is about to be born. In the next few months and also in the next 4 years, before 2012, we stand at a window of unprecedented freedom to decide our destiny. In this decision-window, called "fluctuation time," our world is supersensitive, so that even small fluctuations produce large-scale effects. Many people are reporting to me how they have become supersensitive to the energies.

These are the days of the legendary "butterfly effects." The story goes that if a monarch butterfly flaps its wings in California, it creates a tiny air fluctuation that amplifies and amplifies and ends by creating a storm over Mongolia. Every one has heard this story and it is true!

As consumers and clients, as taxpayers and voters, and as public opinion holders and spiritual seekers, we can create the kinds of fluctuations, actions and initiatives that will tip the chaos point toward peace and sustainability. If we are aware of this power in our hands, hearts and souls, and if we have the will and the wisdom to make use of it, we can create a better destiny.

The choices we make influence the system's behavior. When we, as a society, become super sensitive and respond to the needs of our body, mind and soul, we then can respond to the needs of the "ALL." We will then put pressure on the established order of chaos and we will create change.

I invite you to join us at the Hope Interfaith Center where we have a growing number of people coming together to focus in on our hearts and make choices like a powerful monarch butterfly. We know that our small choices create a tiny air fluctuation of "LOVE" that amplifies and amplifies every time we come together as a group. We are now facing at a personal level a simple rule that holds true: we cannot stand still, we cannot go back, we must keep moving in this moment of NOW! There are alternative ways besides war, greed, and violence toward self and others.

The Mayan calendar indicates that the Age of Jaguar will come to an end soon. And the year 2012 is indeed likely to be a gateway to a different world, but whether to a better world or to a disastrous one is yet to be decided by our choices. At this point, the people that I see coming to the Hope Interfaith Center are

growing and awakening and making better choices all of the time. They are taking the breakthrough Path to a New World!

Come and learn information about 2012. Come and learn new ways of thinking and behaving. We will adapt values that have been given to us by ancient ones. We will be a group of beings with more evolved consciousness that will mobilize a fluctuation that will grow into a fresh surge of creativity for the world. Come for worship service or Spiritual Study. You might make the decision to do expanded association and commit to a year of spiritual classes like the Divinity Class or commit to a year to coming for spiritual teachings every month. Come to expand yourself on a personal level so you can apply this to your relationships on an intimate level, community level and national level by getting out to vote in November for CHANGE! Discoveries about Self help one to rise to a new level of thinking, a new level of knowing. You will have new values; clear understandings that are the benchmarks to a new life filled with peace and hope and love. The common symptoms of awakening and the dawning of the new world are to be in LOVE!

Personal teachings, study in groups, prayer and meditation keep us connected to the LIGHT of the Creator by putting us in contact with the "Tzaddikim," the righteous men and women who have come before us. They are people, generally from previous generations, who have shown through their work or through their writings that they are very highly developed spiritually. Behold, the mysteries of the MAYAN CULTURE and the mysteries of 2012 are speaking! The Peruvian shamans who live high up in the Andes have come to me to tell you that a new species of human being is about to appear. They call this being "Homo-Luminous." The shamans told me that they are forerunners of the Homo-Luminous who are already among us. This new human will possess entirely new qualities that will create great CHANGE!

I look forward to meeting many new people and watching our growth at the HOPE INTERFAITH CENTER. Please invite others to join our programs that will bring CHANGE into our future.

With Pure Heart,
Hope

Events are child-friendly and held at the Hope Interfaith Center unless otherwise noted. **Please RSVP by calling 507-386-1242 three days prior.**

December Full Moon

Rite of the Winter Solstice

Sunday, December 21 • 7:00 p.m.

Hope Interfaith Center

Beloved Ones, it is a month of Great Celebration. You have achieved what was desired and you have each played your part in this wonderful transformation. Together, we have cancelled the "end of times" and we are now re-writing the "script" for a Peaceful Global Transformation into the Fifth Dimension of ONENESS and Love.

And so, it is being created as we determine it to be. Let us join together and celebrate "LIGHT." This is indeed a great way to celebrate triumph of our Collective Planetary Creation.

As always, we will wish each other a continued journey of JOY in our Adventures of Light for the coming year of 2009, which is an "11" year!

Worth Noting:

The Hope Interfaith Center just received notice that we are being recognized as a Leadership Patron in the "Friends of Children Society," part of the Christian Children's Fund.

Over many years (contributions were started many years ago by a group of people before HIC was founded) we have supported three children, one of who will graduate out of the program this year.

Our contributions to date have totaled \$5,792.

We feel blessed to be able to make a difference in the lives of the children!

All a part of the Hope Interfaith Center mission!

Gatherings and Opportunities

Serenity Support Group

Monthly Spiritual Study

(refer to the calendar for dates)

Hope Interfaith Center

facilitated by Hope

(suggested love donation: \$5.00 per gathering)

Just suppose that now, not next week or in the next decade, but right now our evolutionary blueprints are primed to take us to the next step! Then imagine your JOY at finally discovering that you can actually invite visitors who live off this planet into your life!

In the next 4 years, more and more information will be coming out on the star beings and many call these beings the Mayans. Our Spiritual Study group is now focusing on openings that allow us into the other parallel existences. They come to help us into our own personal transition and to help us remember that we are all ONE!

Please bring your drums because before each meeting we will do 10 minutes of drumming to open up to these energies. At times we will have guest speakers, at times we will just sit in silence after the drumming to invite these Mayans into our lives, and at times there will be short teachings. Blessed BE!

Healing Our World—Guided Healing Meditation

October 1, Wednesday, 6:30 – 7:30 PM

November 5, Wednesday, 6:30 – 7:30 PM

December 3, Wednesday, 6:30 – 7:30 PM

When we focus on the beauty of perfect healing love and the joy of sharing it with every man, woman and child in every corner of our world, the benefits can be far-reaching and transforming. Coming together in community to do this meditation makes the intent of the energy even more powerful. The more energy we send out to help others to heal, the more healing energy that the Universe returns to each of us. It is such a beautiful and powerful cycle. This qigong meditation is recorded by Master Chunyi Lin, founder of Spring Forest Qigong.

HIC Investment Club

Tuesday, October 21 • 7:00 p.m.

Peace – Pass it on! 1st Annual Peace Walk

October 18, 2008

10:00 a.m. registration

Hope Interfaith Center

Meet at Hope Interfaith Center! At 10:30 we will begin our walk on a charted course of 1.5 miles. During the walk, you will be able to be silent and meditate on Peace within ourselves and the world, or walk with groups and share in fellowship. What a great opportunity for you to gather your friends together to take a walk with a greater purpose!

Upon returning to HIC, a Peace Pole will be planted and dedicated on the HIC property in celebration and honor of Devina Anderson, and a Peace Pole will also be presented to 1st Congregational UCC of Mankato, the first recipient of our annual “Peace, Pass it On” Peace Pole. HIC has purchased and gifted Peace Poles on our Pilgrimages to Israel and Palestine during the past 4 years and we have also given a pole to the city of Mankato.

At the Hope Interfaith Center you will also be able to bid on the items in our month long silent auction, which will run from October 12 through November 9! Even if you are not interested in the walk, help plant our Peace Pole and celebrate in an attitude of Peace!

Registration fee is \$15. You will receive a HIC reusable tote and a bottle of water and the remainder of the fee is deposited into our Peace Fund which purchases Peace Poles and supports Peaceful movements around the globe, which fulfills part of the Hope Interfaith Center mission statement.

A note from Rev. Hope: Peace Partnership means that we engage with others on a soul and heart level. This is fundamental to a culture of peace and involves attitudes and skills critical for talking to people about peace, interfaith understanding, and the shift from a culture of violence to a culture of peace. Our walk raises money for our Center to teach the Power of Compassion and the commitment to raise conscious awareness to make the issue of peace an every day priority. If you cannot walk with us, please sign the Petition called “I Stand for Peace.” This petition will be sent to The Peace Alliance, which is leading the grassroots campaign for a Department of Peace and Nonviolence in the U.S. Government.

The Second Half of Life: A Day Retreat

Wednesday, October 29 • 8:30 a.m. to 4:30 p.m.

Hope Interfaith Center

facilitated by Rev. Hope Gorman and Rev. Penny Tower

Cost is \$40.00 (Lunch is included)

Registration deadline: Friday, October 24

Remember that the only place where you can invest a dollar these days where it will not depreciate is in the SELF!

More of us are entering the second half of our lives than at any other time in history. Our numbers are growing rapidly, and as life expectancy continues to rise, more of us will find ourselves living much longer as elders than did our parents and grandparents.

These extra years, even decades, extend the blessing of life. Yet in many ways we are not prepared to live them fully. We have forgotten the rites of passage that help us learn to become wise elders, actively participating in our communities and living a deep, fulfilling life. The more challenging our world, the more we need our elders with us to share the lessons they have learned, to lend us their love and wisdom to enhance our communities.

We are offering this wonderful day to Men and Women who are 50 and over. If you are pulled to explore the Second Half of Life and it's meaning this will be a wonderful day for you and a friend. We will have discussion time as we explore some very deep questions about what is next and prepare to enter and open ourselves to what we want in our next part of life.

We will include talks about shifts such as career change, significant loss, divorce, illness, restlessness, disconnect to self and so much more. With deep questioning and a safe surrounding our choices will become clearer by the end of the day.

Please join us we discuss the eight gates of initiation into the second half of life.

8:30 Check-in (Coffee will be served)

9:00 Introduction

9:30 The Eight Gates of Initiation in the Second Half of Life

- The Silver Gate - Facing New Experiences and the Unknown
- The White Picket Gate - Changing Identities, Discovering One's True Face
- The Clay Gate - Intimacy, Sensuality, and Sexuality
- The Black and White Gate - Relationships

12:30 Lunch: Soup, Salad and Rolls

1:30

- The Rustic Gate - Creativity, Service and Generativity
- The Bond Gate - Authenticity, Character, and Wisdom
- The Natural Gate - The Presence of Grace- Happiness, Satisfaction and Peace
- The Gold Gate - Non-Attachment, Surrender and Letting Go

4:30 Closing

Our Transition Between Dimensions:

Year-End Retreat

Friday, December 12 • 7:00 p.m.

to Saturday, December 13 • 5:00 p.m.

Holy Spirit Retreat Center

facilitated by Hope

Love donation for Hope's teaching

\$25.00 separately for the Retreat Center

Registration deadline: December 3

Come join us for our annual end of the year get-away.

As always this season tends to get us caught up in the illusions of life. We forget how powerful this time of year really is. Many of us know or intuitively feel that we are in "transition." Going from the 4th level dimension to the 5th is the journey that is here. Dimensions are not a place, but they are levels of consciousness, each with a unique way of thinking, feeling and acting.

On Friday night we will meet each other and we will go over the different aspects of the 3rd, 4th and 5th dimensions. You will also have time to reflect on these different dimensions and your past year. Then we will talk a bit about the Shamans coming down from the mountains helping us during this time of unrest and how we can face these changes and help give birth to a better world.

I will go over the invaluable teachings, known as the four insights, which were kept under wraps for a very good reason. Now we are being asked to use them in this coming year. The wisdom of the Laika consists of these four practices.

* Insight 1: The Way of the Hero

Practices: Nonjudgment, Nonsuffering, Nonattachment, Beauty.

* Insight 2: The Way of the Luminous Warrior

Practices: Fearlessness, Nondoing, Certainty, Nonengagement

*Insight 3: The Way of the Seer

Practices: Beginner's Mind, Living Consequently, Transparency, Integrity

*Insight 4: The Way of the Sage

Practices: Mastering Time, Owning Your Projections, No-mind, Indigenous Alchemy

Please bring your rattles and drums to the retreat. Let us end this year on a High Note! I invite everyone who has ever worked with me to come join me in a time of reflection and anticipation!

During these 24 hours, we will share communal food. You will receive a letter one week before the event letting you know what to bring. This event always fills up fast, so please RSVP by calling the Center (507-386-1242) by December 3.

***Love from the ONENESS!
A channelled message from Hope***

You are ALL Grand Beings of LOVE! This is the exact Truth! You are all birthing into the Divine Plan at hand. And the Plan is at hand NOW! Which means to be love is a choice, a choice made alone as you surrender to the Love within. We encourage all who read this message, if you have not already let go and surrendered, we suggest that you do this soon. As the awakening energies continue to pour into the Planet, it will become more and more challenging to continue to be in the lower realms of unconsciousness and your comfort zones will become increasingly uncomfortable. Many of you are still currently stuck within the drama and chains from the old paradigm. You must release the old behavior and belief systems that have kept you in your limited thinking about the self and others.

The ONENESS opens you on the crown chakra to accept a new way of thinking. The ONENESS opens you in your heart chakra to accept that you are LOVE! Whether anyone passes judgments on this current energy message of ONENESS does not make it not true. The Divine Plan continues to unfold and you cannot stop the Truth. If you are not in Truth about any part of your life it will soon show up as a shadow in your life that all will be able to see because we are all ONE! Some of you have become so caught up in the little things in your life and you are missing the main feature of this great and wonderful show. You have had many messengers, sharing many truths about these auspicious events that are now occurring on the Planet.

We have discussed with several other beings what is occurring, or about to occur, and they claim that everyone has been making these same statements for years. The difference now is that the Players of the Original Divine

Plan have AWAKENED into FULL CONSCIOUSNESS. The Players now know that it is our Divinity and our Remembering that is the solution to all of the world's problems. What this means, is that they are well prepared to assist Humanity through the transformation of this quantum leap and paradigm shift. Your election year holds many possibilities for this new paradigm shift to come in. Please be the creators that now make conscious decisions on who you vote for and why! Vote where you see the LOVE!

LOVE thy neighbor as I have LOVED YOU! How can you go to war and continue with war if you follow this Golden Rule? Stop and see clearly the Very Truth of your Being, that you are grand, that you are powerful, that you are brilliant, and LOVE is the ONLY ANSWER and LOVE is all that IS. Do not fall short of your beauty and fall prey to low vibrations. This is what causes wars and character failure when making choices in your life. Whatever you are holding onto that is not LOVE and is not creation therefore is not REAL!

You will be experiencing sequential events and these events are waiting to see who will show up in ACTION! As we continue to move at LIGHT Speed Vibration, we are taking everything back into the Light and everything that is not Creator LOVE will be dissolved. Mother Earth is making her Ascension and she will not take any density with her. The Earth herself has Chosen her Destiny of Heaven on Earth and is coming ALIVE and will not die. She is transforming herself into the Garden of Eden. The Mayan Elders and the Hopi Elders have spoken about these moments and we must pay our dues. We are all asked to remember that we are the CAUSE of our LIFE. Wow, what an opportunity to show up as Creators of the NEW WORLD at hand.

Love from the ONENESS! ~ BLESSED BE!

***In dwelling, be close to the land.
In meditation, go deep in the heart.
In dealing with others, be gentle and kind.
In speech, be true.
In ruling, be just.
In business, be competent.
In action, watch the timing.***
