ALL SACRED PATHWAYS HONORED

## You're a Walking, Talking, Miracle, Let It OUT!

**A miracle, an extraordinary event manifesting divine intervention in human affairs, do you believe this to be you? Are you aware of messages, vibrations, epiphanies you ignite and ground on this planet simply by embodying the essence of your being?**

**June's Spiritual Service is dedicated to the miracles we are. Sing, dance, sit in awe, discovering all the glory of you. On the green lawn of the Hope Interfaith Center, go within to explore your inner miracle with a guided group meditation. Then let it out! Angel Raffle, receive a ticket, with any donation, and a chance to take home your own messenger of miracles figurine by Seraphim Classic.**

**Feel the wonder of self. Feel the wonder of each other. It is the same wonder. Let's gather this June in the magic of the miracle of who we are.**

## Healer of the Month: Joe Gorman

---

**You may see a new yet familiar face when you visit the Hope Interfaith Center. Joe Gorman will be working as an office assistant on Wednesdays, and Thursdays. He is son to Hope and Paul, and he's father to Little Joe and Benny.**

**Joe enjoys getting in touch with nature and listening to music. He is a big fan of performance art and cinema. The thing he appreciates most about being at the HIC is the energy. When asked if there's a quote he lives by, he answers, "Life isn't about waiting for the storm to pass, it's about learning to dance in the rain."**
